

## Main Draw

[1] Juan GOMEZ

The diagram illustrates the distribution of 18 seats across three positions (3-4, 5-8, 7-8) for two parties, P and O. The seats are represented by colored boxes: blue for Party P and orange for Party O. The distribution is as follows:

- Position 3-4:** 5 seats for Party P (Harry FREEMAN) and 3 seats for Party O (Matt REECE).
- Position 5-8:** 5 seats for Party P (Ian SEFTON), 4 seats for Party O (Erik ZAREMBA), 6 seats for Party O (Morgan LATREMOUILLE), and 3 seats for Party P (Morgan LATREMOUILLE, Hamid KHOSROW KIANI).
- Position 7-8:** 5 seats for Party P (Ian SEFTON) and 5 seats for Party O (Hamid KHOSROW KIANI).

The total number of seats for each party is 18 (9 for Party P and 9 for Party O).

Position 9-16

Position 11-12

Position 13-16

Position 15-16
